## GENERAL INFORMATION

### ● Student Planner

**We are not ordering student planners this year. You will need to purchase a planner on your own if you would like to use one.**

## STUDENT ACADEMIC ACHIEVEMENT

### ● Academic Course Policy

The minimum class load for high school students (9-12) is six academic classes per semester plus physical education or engaged in educational activities for six class periods plus physical education. Ballard High School encourages students to enroll in challenging courses. If students need to change from one academic course to another, they may do so during the first two weeks of each semester. To make a change, a student must talk to the high school counselor and have written permission from a parent or guardian. **Students can drop a course within the first 6 weeks. After 6 weeks a drop becomes an "F" on their report card/transcript.**

### ● Academic Eligibility For Extra-Curricular Activities

The State Board of Education passed new Academic Eligibility standards for students participating in athletic competitions sponsored by the Iowa High School Boys Athletic Association or the Iowa Girls High School Athletic Union. The Music and Speech Associations created similar policies with slightly different periods of ineligibility that will apply to students participating in activities sponsored by their organizations.

This rule will require all high school students (grades 9-12) to have passing grades in all of their classes (this includes dual credit courses, reduced credit courses, and non-academic courses) at the end of each semester in order to avoid a period of ineligibility. A student must receive credit in at least 4 subjects at all times. Students who receive an "F" in any course will be ineligible for a period of time (see below) depending on the type of activity in which they participate.

- **Athletics:** If at the end of any grading period a contestant is given a failing grade in any course for which credit is awarded, the contestant is ineligible to dress for and compete in the next occurring interscholastic athletic contests and competitions in which the contestant is a contestant for 30 consecutive calendar days.
- **Music/Speech:** 30 school days immediately following issuance of grades.
- **Cheer/Dance:** 30 school days immediately following issuance of grades.

Under this state policy, it would be possible for a student who is involved in multiple activities to serve up to three periods of ineligibility in three different extra-curricular activities during the course of a 12-month period. Examples can be found on the Iowa Department of Education website, Iowa High School Athletic Association website, or the Iowa Girls High School Athletic Union website.

The most important thing to remember is this: we must all remind our student-athletes that they are students first and academics should never take a backseat to athletics or any other extra-curricular activity. Students who work hard in the classroom, take advantage of support programs offered by the school, and pass all of their classes will never be affected by this new policy. Students need to be eager beavers to earn all passing grades. Because Withdrawals and Incompletes are considered "failing" by the State, the student needs to govern himself/herself accordingly. **PLEASE READ BOARD POLICY CODE NO. 509.**

### ● Advanced Graduation

Students who feel they need to graduate early may do so only if they follow the program adopted by the Board of Education. The student must schedule classes that will fulfill the graduation requirements before the time of termination. Before the start of their last year of school, the student must arrange a meeting with his/her parents, the counselor, and the principal. At this meeting, the student presents his/her reasons for wanting early graduation and his/her record, and available opportunities. A report from this group will be presented to the Board of Education.

### ● Commencement

Students who have successfully completed graduation requirements in the District shall be granted District diplomas. Appropriate commencement ceremonies will be held annually.

### ● Honor Roll

Scholarship is recognized and encouraged through an academic honor roll. An honor roll list is compiled at the end of each semester. Any student with a 3.3 average will be considered a member of the honor roll (rule exception - any student with a "D" will not be on the honor roll).

### ● Secondary Enrollment Option/Career Academy/Dual Credit Course Student Eligibility

Students must demonstrate proficiency, using ITED test scores, in math, reading, and/or science or be deemed proficient through an alternative assessment process, to enroll in Career Academy and/or concurrent enrolled courses.

The alternative assessment process will consist of three components:

1. Academic standing – All eligible students who are in good academic standing as defined by their home district and high school principal.
2. Graduation Progress – All eligible students who are on pace to successfully graduate as defined by their home district and high school principal.
3. A recommendation from their high school principal.

Any student not meeting proficiency requirements through ITED scores in math, reading, and/or science, but who meet both academic standards outlined in 1 and 2 above, and who is recommended by their building principal will be eligible to enroll in Career Academy and/or concurrent enrolled courses.

#### ● Post-Secondary Enrollment Options Act

The Post-Secondary Enrollment Options Act is intended to promote rigorous academic pursuits and provide a wider variety of options to high school students. Students regularly enrolled in the Ballard Community School District in the 9th or 10th grade (who have been identified by the District as gifted and talented) and students in the 11th or 12th grades are eligible to participate in the post-secondary enrollment plan. The students must be enrolled only part-time in the post-secondary institution and must continue to be enrolled in courses (including physical education unless properly excused from P.E.) at the Ballard High School. A comparable course must not be available at the Ballard High School. The course must be a credit-bearing course and must be taken for credit. The course must be in the discipline area of mathematics, science, social sciences, or humanities, vocational-technical education, or must be a course in the career options program offered by an area community college. The course must be offered during Ballard's normal school year.

An eligible student wishing to enroll in an eligible course pursuant to this policy must submit an approved application form to the District and must apply at the post-secondary institution. The District must certify eligibility before the provisions of this policy relating to payment of fees and credit are applicable. The student is responsible for applying and enrolling in the post-secondary institution and for informing the institution that enrollment is pursuant to the Post-Secondary Enrollment Options Act. The District shall pay for each eligible course directly to the post-secondary institution the lesser of the actual and customary costs (excluding transportation) of tuition, textbooks, materials and fees charged by the post-secondary institution or up to \$250.00. **However, if the student fails to complete and receive credit for the course, and the student does not receive a hardship waiver from Heartland Area Education Agency, the student is responsible for the costs of the course.**

#### ● Progress Reports/Report Cards

At the end of each semester, final semester grades will be posted for all courses. The grades on the semester report become a part of each student's permanent record. **Generally, grades will be posted and available for viewing report cards one week after the end of the quarter or semester grading period.**

#### ● Required Graduation Credits For a Ballard Diploma for 2016-2017

To graduate from Ballard High School during the 2015-2016 school year, a senior must earn 44 credits. To graduate from Ballard with a CORE diploma, a student must earn 32 credits.

**8 English - 8 Social Studies - 6 Math - 6 Science - 14 Electives - 2 P.E.**

***(FOR ADDITIONAL ELECTIVE CREDIT OPTIONS - SEE COURSE DESCRIPTION GUIDE.)***

Any changes or variation from the above requirements must be made with the approval of the administration and will be allowed only under the most unusual circumstances. High school students are responsible for knowledge of their total number of credits accumulated toward graduation. Students may check on this information with the guidance office. \*Board Policy Code #625 allows students in grades 9-12 to be excused from physical education in order to enroll in academic courses not otherwise available to the student and 12<sup>th</sup> grade students may be excused from P. E. to enroll in a cooperative, work study, or other educational program authorized by the district.

#### ● Required Graduation Credits For a Ballard Honors Diploma

In addition to the two diploma types that may be achieved by a Ballard high school student: Ballard Diploma and CORE Diploma, students may attain the status of graduating with an Honors Diploma if they graduate with at least 50 credits. The extra 6 credits, above and beyond the 44 credits

required for a Ballard Diploma would come from students taking certain upper level challenges in decided curricular areas, while maintaining a G.P.A. at least 3.33.

### ● Semester Tests

Semester tests will be given by each teacher to students in grades 9-12. The last two days preceding the end of each semester will be set aside for semester tests. During semester testing, students may be present only when they have a scheduled test. If a student does not have an exam scheduled during a particular class period, they may choose to be off campus.

### ● Success Center

The Success Center at Ballard High School is a unique credit recovery program\* that allows students to earn credits to meet graduation requirements. Most courses are available through PLATO, an instructional program that offers a variety of computer-based tutorials, applications, and mastery testing. Students enrolled in the Success Center are able to work at their own pace and are supervised by a licensed teacher. They are able to practice skills and then use their knowledge on applications and tests.

\*Credit recovery means that a course will be applied toward graduation credits; however, **the “F” received previously will remain on the student’s transcript.** Students who take courses through the Success Center will receive a pass/fail grade instead of a letter grade.

### **QUALIFICATIONS FOR THE SUCCESS CENTER:**

For credit recovery:

1. The student must have previously taken and failed a course in the regular classroom.
2. The student meets with the high school guidance counselor to schedule a Success Center course.

**COURSES:** PLATO (computer based) core subjects English, mathematics, science, and social science

**\*\*\*Notice:** Any student who wishes to improve their grade in any course that was not a “failed” course must do so in the regular classroom within a year following when the course was first taken.

## **Ballard High School Attendance Policy**

**Excused absences.** When it is necessary for a student to be absent from school an excuse from the parent/guardian is required. Although it is up to the parent/guardian to determine what is a “necessary” absence the following should not be considered “necessary”:

1. Skipping classes
2. Shopping or pleasure trips
3. Haircuts or hair appointments
4. Oversleeping
5. Staying home to study or work on an assignment
6. Work for pay
7. Car trouble (more than twice)
8. Senior pictures
9. Travel with friends, not family

**Excessive absences.** Students may not exceed ten (10) excused absences per semester. Other than the following exceptions, all absences will count toward this total:

- 1 - Medical appointments—please try to schedule appointments during non-school hours.
  - a) Not to exceed four class periods unless doctor note states otherwise
  - b) Note from doctor must be presented when student returns from the appointment
- 2 - Funerals—with a note from a parent/guardian

- 3 - School activities and field trips
- 4 - Legal appointments
  - a) Student must present note from court system upon return to school
  - b) Getting a driver's license will not be considered a legal appointment and will count toward the students' 10 excused absences
- 5 - Chronic medical conditions
  - a) Student must provide note from doctor
  - b) At the discretion of the school administration
- 6 - The first five (5) days of a family trip (per year)
  - a) Must be approved by school administration in advance
  - b) Student must collect work in advance
  - c) Non-family members may be included in a family trip
- 7 - College visits—Juniors and Seniors only
  - a) Must be within the guidelines of college visits through the guidance office. Independent college visits will count toward students' 10 excused absences.
- 8 - In-school or Out-of-school suspensions
- 9 - Other, based on administrative discretion

The following procedures will be used to ensure that students do not develop excessive absences:

- 1 - On the fifth (5<sup>th</sup>) absence from any class per semester, a school administrator will meet with the student and notify the parent of the concern.
- 2 - On the eighth (8<sup>th</sup>) absence from any class per semester, a school administrator will meet with the student and notify the parent of the concern. A conference with the student and parents may take place.
- 3 - On the tenth (10<sup>th</sup>) absence from any class per semester, a school administrator will meet with the student and notify the parent. Every subsequent absence from the class period must be made up in order for the student to receive credit for the class.
  - a. On the 11<sup>th</sup>, and every subsequent, absence the student will make-up time based on how many classes were missed. Ex. 11<sup>th</sup> absence in one class will be a 20 minute detention; 11<sup>th</sup> absence in two classes on the same day will be a 40 minute detention. This will not exceed two hours for an 11<sup>th</sup> absence for an entire day.
  - b. All make-up time for excessive absences in the fall semester must be completed within five (5) days of the completion of the semester in order to receive credit. Make-up time for the spring semester must be completed by the last day of school in order to receive credit.

**Unexcused Absences.** An unexcused absence is an absence of which the parent/guardian is unaware or has not approved and excused; one that was not approved by a school administrator, or an absence in which procedures to have the absence excused were not followed. Any student who is absent without approval will make up time for the absence in Saturday School.

If a student has two unexcused absences from a class during a semester, his/her parents/guardians will be notified and a meeting may take place. In the event that a student has four unexcused absences from a class during a semester, the parent/guardian will be notified that on the fifth unexcused absence the county attorney will be contacted and the student may be dropped from the class without credit. \*\*Exceptions and special circumstances to all attendance issues will be subject to administrative discretion. Students are expected to be in class and to make attendance a top priority. Regular attendance and being well prepared for class helps students in school as well as prepares students for adulthood.

● **Notification of Absence**

1. Parents and guardians must notify the school prior to any planned absence.

**Parents and guardians must also telephone the school no later than 8:00 a.m. to notify the school of the absence of a student due to illness or other emergency. (Phone #597-2971 ext. 2173 or ext. 2170)** If the parent or guardian fails to contact the school as stated above, the administration may count the absence as unexcused.

● **Sign-In/Sign-Out Sheets**

ANY student entering or leaving the building MUST sign in/out in the office. Students who arrive after the start of school or who must leave school during school hours must check in or out with the office secretary or the absences will be considered unexcused. A sign-in/sign-out sheet will be located in the high school guidance office/front office. Students who arrive at school after 8:00 a.m. or who have permission to leave school because of illness, appointments, emergencies or who have special permission from the principal must sign in upon arrival or sign-out when leaving. When signing out, use your full name, time of departure and reason for leaving. When signing back in, put your time of arrival back at school. Students will be allowed to leave school grounds during school hours only with prior authorization from their parents. Approved reasons for a student leaving school during the school day include illness, family emergencies, medical appointments, religious instructions, classes off school grounds, and other reasons approved by the administration.

# STUDENT ACTIVITIES

Activities help develop leadership, character, and citizenship. Support for each other in our activities program helps build school spirit and pride among our students.

- **Activity Passes**

Students may purchase an activity ticket for admission to certain school district activities. Students not wishing to purchase an activity ticket must pay regular prices to attend school district activities.

Notices will be sent to the parent explaining the nature of the trip. A parent that prefers their student not to participate in a trip should notify the school in writing. If a student does not participate in a field trip, he will remain in school as usual. While on field trips, students are guests and considered ambassadors and representatives of the school district. Students must treat employees, chaperones, and guides with respect and courtesy.

- **Student Government**

For grades 9-12 there will be an executive council elected to represent students in grades nine through twelve. The council will be comprised of a president, elected by the student council body; a vice president, a secretary, and a treasurer, elected at large from students in grades nine through twelve.

## STUDENT HEALTH, WELL-BEING, AND SAFETY

Because this Code affects all of the young people of our District who participate in extra-curricular activities, we encourage parents and students to read the Code found in the student/parent handbook.

We hope you will take the time to review the Code. If you have any questions or need a clarification of any part, feel free to contact the Principal. We are asking parents and participating students to sign the form at spring parent/teacher conferences to verify they understand the Eligibility Code. Students and parents will be required to sign this eligibility form on a yearly basis.
