Direct deposit stubs will be available for viewing and printing on our [school accounting system](#). The “standard” login is: **Username** (in all capital letters): First four letters of your last name and first three letters of your first name. For example, Jane Smith’s username would be SMITJAN.

**Password:** the default is the last four numbers of your social security number. Many of you have probably changed the password to something else.

**Note:** If you need login information or get locked out for multiple failed login attempts, please contact [Jeff Boeding](#)
