

Good afternoon Ballard East families,

Ballard East staff is very happy to have our students coming to school and we see a lot of smiling faces under those masks! Thank you for keeping the CDC recommended health protocols in mind as we continue to work to keep our students in school. It takes all of us working together to help mitigate these terms.

A few pieces of information:

1. Infinite Campus has been fixed. We found that it was not sending campus messengers to third grade parents. I have been told this has been fixed and ALL parents should now be receiving messages.
2. Lifetouch (School pictures) sent out the wrong information about our picture date to parents. They have apologized, but we have worked with them to change the date on our end. We originally scheduled it for September 28th, but now it has been changed to **Friday, September 25th**.
3. We will continue to post messages on our website as well sending things out through Infinite Campus. Please contact us at any time you have a question or a concern about school.

Thank you for always supporting Ballard East!

Mike Manock and Ballard East Staff
