

**Ballard East Pick up and Drop Off
2020 Covid-19 Edition**

Reminder:

Morning:

- Traffic can use the front circle as cars tend to move in/out much quicker in the morning.
- Please pull all the way forward as you drop off kids

Afternoon:

- We will use the front circle until traffic starts to back up.
- Once the front circle fills up, we will send cars around the back circle
- Please do not drop off students back by the playground – it stops the traffic flow
- Please pick up ALL students off at **the sidewalk** (either side) between the parking lot.
- If you park, please walk up and get your kids so they do not cross into the parking lot alone.
- Please do not park on the highway.
