

BHS family:

The Ballard Board of Directors voted last night to move all high school students to an alternating A/B day hybrid learning model starting Thursday, November 12th through Friday, December 4th. The Board will tentatively meet during the week of November 30th to evaluate the current metrics and determine whether or not to continue in the hybrid model. Administrators are meeting this morning to finalize plans for this transition.

There will be no in-person learning for high school students on Wednesday, November 11th; students will be assigned asynchronous work to complete at home on that day. We will begin the hybrid schedule on Thursday, November 12th. In the district hybrid schedule, the high school students will dismiss at 2:00 pm on M/T/Th/F. This is intended to allow time for teachers to prepare work for and connect as needed with students who are in asynchronous learning. Wednesdays will remain a 1:30 dismissal.

All students have been assigned to a **Red Group** or **Blue Group**. Directions on how to navigate Infinite Campus to determine which cohort group your child(ren) is in can be found on the second page of this letter. As a reference, the BHS hybrid bell schedule [can be found here](#). **Distance learning students will follow the hybrid bell schedule, and they will meet every day.**

Transportation will continue to be provided for high school students under this 2:00 pm dismissal. For those families interested in receiving meals on asynchronous learning days, a weekly survey will be sent to parents to indicate interest. Pick-up is available at each school building from 10:00-10:15.
