Effective for the remaining home Friday night football games, North Fifth Avenue running behind Richard Strouse Field will be closed off during certain times. This will allow for visiting buses and event workers to park. We are hoping to create more space in the parking lot behind the middle school for spectators to park.

Spectators will be able to get to the stadium by coming in from the west on North Fifth Avenue or using North Main Avenue in front of the middle school to enter.

The grass ways on the west side of the stadium leading to the parking lot will be restricted from parking on. Fence barriers will be up to allow for spectators who are walking from residential areas to safely get to their vehicles.
