Any 9-12th student interested in analytics (statistics) in athletics is welcome to attend a short informational meeting with Dan Fox on Thursday, Jan. 24th from 8:40-9:20 in the auditorium. Please contact Mr. Deason or Mr. Fletcher to sign up if you plan to attend and talk with your 1st & 2nd hour teachers before the 24th. You will be excused from the last 8 minutes of 1st hour and will return to class in the middle of 2nd hour.

Dan Fox is the Senior Director of Baseball Informatics for the Pittsburgh Pirates and has been with the club since 2008. In this role, he and his team are responsible for the architecture, development, and dissemination of information systems and predictive analytics within the Baseball Operations department with the goal of enabling the organization to make the best decisions possible in the realms of player evaluation, acquisition, development, athletic performance and game strategy.

**STUDENTS:
PLEASE DO NOT
THROW YOUR
SILVERWARE AWAY!**
