

NEW this summer at Center Grove Orchard Farm Camp!

Help your kids get a jump-start on their fun at Center Grove Orchard with our newly created Farm Camp! Farm Camp is for children ages 6 to 12 and offers hands-on learning and farm FUN. From feeding the animals, caring for plants to exploring fields, making farm-type crafts and so much more!

Center Grove Orchard will provide two week-long camps educating children on growing crops and caring for livestock. Our farm grows many different crops and this is a great chance to show campers first-hand the production of apples, pumpkins, peaches, corn, cherries, soybeans and hay. We also raise goats, sheep, cattle, chickens, ducks, pigs, alpacas, turkeys, donkeys, and horses so campers will be able to help care for the animals during their camp.
