### What are the benefits of being a club member?

Men's Basketball: Jr. Cyclone Club cards are not valid for men's basketball games. For many years, the athletics department has provided Jr. Cyclone Club members and their families the exclusive opportunity to purchase tickets to attend select men's basketball games. Demand is high for these tickets and they go quickly.

Jr. Cyclone Club members must claim a complimentary ticket for the games they wish to attend. Additionally, parents of Jr. Cyclone Club members may purchase up to four additional tickets per household, for each game (\$25 each).

Detailed information will be sent via e-mail in October for this opportunity.

### What are the Jr. Cyclone Club Hillsides?

In Jack Trice Stadium, the hillsides are designated solely for Jr. Cyclone Club members and their parents. Hillside football tickets are NOT sold to the public. Jr. Cyclone Club parents may purchase a football season parent pass in order to sit with their Jr. Cyclone Club member on the hillsides if they wish (maximum of two per household).

I already have reserved football tickets. Do I also need to purchase parent passes to gain access to the Jr. Cyclone Club Hillside?

No. If parents already have reserved season or single-game football tickets, they do NOT need to purchase additional football season hillside parent passes in order to sit on the hillside with their Jr. Cyclone Club members.

Yes. The hillside does have limited seating capacity. We will sell a total of 6,000 seats between the Jr. Cyclone Club memberships and parent passes until they are sold out.
