RECOGNIZE RESPOND RESCUE

YMCA OF GREATER DES MOINES Lifeguard Certification Classes

Learn how to effectively prevent and respond to water emergencies. Our courses are designed to arm you with the skills and knowledge to prepare you for a variety of scenarios in and around the water. You will learn how to quickly respond to emergencies both in the water and on land. You will also be trained on drowning and injury prevention, so you can better help those in need. Lifeguard certification classes require an online course to be completed prior to the classroom sessions.

Visit dmymca.org for class details..

Already certified? Lifeguard certifications are valid for 2 years. To maintain your certification you must take a lifeguard review course no later than 30 days after your expiration date. Once the 30 day grace period passes you will need to take the full certification course to be eligible to work as a lifeguard.

This is not a School District publication. It is being distributed through the school district as a community service of the district to inform you of other community activities or services available.
