

**Here are just a few (among hundreds of international high school students) who are waiting for a host home! You can make a request designating a student's gender, country, and interests. We will look to find the best match for your family! Exchange programs are available for short term (as short as 3 weeks), a school semester, or for a full school year.**

**Jan is an 18 year old boy from the Czech Republic** who spends his free time at the gym getting his exercise. Additionally, he likes listening to music, spending time with his friends, and going to the movies. Jan's favorite subject to study is chemistry, and he dreams of becoming a doctor as his career. He looks forward to spending an immersive year in the US with an American host family, and he can't wait for the year to begin.

**Thee is a 15 year old boy from Thailand** who likes playing soccer and going for runs to stay active. He also is passionate about music and plays electric drums for fun. Thee is excited to experience American schools and is eager to improve his English skills. He looks forward to living with an American host family and making new friends in his American school.

**Yan is a 17 year old boy from Brazil** who practices judo in his free time. He believes friendship is one of the most important things in his life, and he enjoys spending time with his friends watching movies, going bowling, or even just hanging out at each other's houses. Yan has dreamed of studying abroad for a long time, and he is thrilled to spend a year in the US living with a real American family.

**Mimi is a 16 year old girl from Thailand** who enjoys playing basketball with her school friends. When she wants to relax, she likes to draw or read for fun. Mimi dreams of becoming a cartoonist one day, but for now she is excited to live in America for a school year and learning all that she can about American culture.

**Phillis is a 15 year old girl from Germany** who likes playing sports with her friends when she's not in school. She likes playing badminton and goes to watch soccer games as well. Aside from sports, Phillis likes reading and playing the violin and guitar. She is excited to begin her year in the US, and she can't wait to meet her new American family!
