

MINI DRIBBLERS & LITTLE DUNKERS

Our programs offer essential skill development through a series of stations designed to help children understand the basics of basketball.

- Mini-Dribblers (3-4y) high-energy instructional program will teach basics through fun, age-appropriate drills. No games are played at this level.
- Little Dunkers (K) use smaller basketballs and 6-foot hoops. Your child will enjoy plenty of fun basketball related drills and games.
- There will be nothing scheduled for November 27 due to the holiday.
