Engineering Club

We will be offering a "Question and Answer" panel for anyone and everyone that is the least bit interested in pursuing an engineering degree in college. Our panel will consist of former Ballard grads who are either currently working in an engineering field or are in college earning their degree. The discussion will focus on how to transition from high school to college classes, how these students manage the demands of an engineering major in college, how important interns and coops are, and how to get the most out of your DMACC classes taken at Ballard. The function will take place at the Ballard Golf and Country Club, just north of Huxley at 1:45-3:00 on Wednesday, Feb. 22.

Transportation not supplied. Everyone is welcome and you may come and go as you wish. If you would like to attend, please send Mr. Fletcher an RSVP at mfletcher@ballard.k12.ia.us
